

Model 5412-02 Audio Interface Example Images

The screenshot shows the web interface for the Model 5412-02 Audio Interface. At the top left is the green diagonal lines logo. The main title is "Model 5412-02 Audio Interface" in green. To the right, the device ID "ST-M5412-14b4ce" is displayed above an "Identify Device" button. A navigation menu below the title includes "Home" (highlighted), "Analog Inputs", "Analog Outputs", "Network", "Access", and "System", with a "Log Out" button on the far right. The "Dante Information" section lists: Primary IP Address (192.168.1.142), Secondary IP Address (Disabled), and Sample Rate (48 kHz). At the bottom, the text "Studio Technologies, Inc." is displayed with a green underline.
